SPEAKER: I'm sorry I didn't hear you.

SENATOR SCHMIT: If it's not controversial with Senator Simpson let's just adopt, I move the adoption, perhaps we can move it right by, right along by.

CLERK: Alright the Schmit amendment is on page -

SPEAKER: Senator Simpson.

SENATOR SIMPSON: It is going to be controversial and so I would ask that we move over the bill now.

SPEAKER: Thank you, so ordered, we will pass over the bill. Move to the general file consideration of LB 453.

CLERK: Title Read LB 453 (is Warner here?)
